SECRETARY'S DEPARTMENT, BOSTON, Jan. 21, 1891.

To the Honorable Senate and House of Representatives.

The First Annual Report of the Number of Assessed Polls and the Number of Registered Voters at the dates of the State, City and Town Elections in the year 1890, and the Total Number of Persons who Voted at such elections in each City, Town and Voting Precinct in the Commonwealth, is herewith submitted, in accordance with the provisions of section 118 of chapter 423 of the Acts of the Year 1890.

Very respectfully,

HENRY B. PEIRCE,

Secretary of the Commonwealth.

REPORT.

The tables of comparisons on pages 6, 7, 8, 9, 10 and 11 are not called for by the law, but it is believed that the value of the report will be greatly increased thereby.

Apparent incongruities in the report may be accounted for, in part, as follows : —

First. In all the cities and in many of the towns the number of assessed male polls includes many persons who are not qualified to become registered voters.

Second. The number of registered male voters includes many persons who are exempt from taxation and therefore are not included in the number of assessed male polls.

Third. The number of registered female voters includes many women not assessed for poll tax, who were registered upon payment of property tax, and therefore are not included in the number of assessed female polls, hence comparisons, in this instance, have not been made.

ELECTIONS AND VOTING PRECINCTS, 1890.

Town elections, 326 towns.

State election, 864 voting precincts, viz. : — 205 in Boston, 274 in 24 cities, 92 in 33 towns, 293 in towns not divided into precincts.

City elections, 479 voting precincts in 25 cities.

Election of city officers in 21 voting precincts in the towns of Chicopee, Marlborough and Pittsfield. (City governments inaugurated Jan. 5, 1891.)
